LAUNDRY

HANDLED PRIVATELY – HOSTELS DO NOT DEAL WITH ANY QUERIES

Boarders are responsible for their own laundry, which is usually done by private laundromats in the city. Thus, every boarder should have his own laundry bag, labelled with his name, the name of the Hostel and his cell phone number. Please contact a laundromat prior to purchasing a laundry bag as some laundromats provide their own laundry bags.

1. Laundry bags will be picked up from and returned to the relevant hostel, as arranged with the laundromat of your choice.
2. Laundromats will inform their customers of their routine and boarders should place their dirty laundry accordingly on the “stoep” on that specific day.
3. Boys must collect their clean laundry from the Study Hall, before 19:00, on the same day that it arrives.
4. No laundry bags will be allowed in the Study Hall over weekends.
5. Murray House Hostel does not take any responsibility for laundry lost or forgotten in the Study Hall.
6. We must emphasize that each item must be CLEARLY marked. Laundromats often find bank cards, wallets, notes, money and keys in the clothing!
7. Laundromats are usually prepared to make exceptions when there is an emergency for washing to be done, e.g. before a tour, or before a long weekend. Parents/Guardians or boys must arrange with the laundromats for such requests.

PLEASE ARRANGE A LAUNDRY SERVICE BEFORE YOU GET HERE!

When deciding on a laundromat, we suggest that you get quotes from the different laundromats and arrange for the settlement of accounts.

Your son must be informed of your choice of laundromat, and he must pin the contact number into his cell phone, or have a list of numbers in his locker.

Please contact the laundromats directly with regard to quotes, payments, requests and/or problems.

Below are details of laundromats that provide services to our hostels. Unfortunately, the hostel itself does not deal with any queries regarding laundry.

Boarders take responsibility for their own laundry and should be informed of the arrangements you have made.
