Dear Friends of Grey, Old Greys and Grey Parents,

INTRODUCTION OF GREY BACK A BUDDY NPC

1. We have the great privilege of introducing Grey Back a Buddy NPC i.e., a non-profit company, that will be governed by its first Board of Directors, the details of whom are set out at the foot of this communique.
2. The sole aim and purpose of Grey Back a Buddy NPC, is to on an application basis, attend to the day-to-day financial need of Grey boys already admitted to the primary and secondary schools, who are not in a position to financially attend to their own needs.
3. There are from time to time Grey boys that experience financial difficulty to acquire basic toiletries, clothing, data, funding for extra mural activities etc.
4. Previously these learners were attended to and assisted on an *ad hoc* basis by individual teachers, Old Grey class groups and individual parents.
5. Grey Back a Buddy NPC intends to substitute all the aforementioned *ad hoc* attempts to assist those in need, and to centralise it in the non-profit company that can, on an application basis, attend to the needs in a more structured and orderly manner.

6. It goes without saying that for this initiative to succeed, we are dependent upon donations from our friends, parents and Old Greys.
7. No donation can ever be too big or too small. Although once off donations will be greatly appreciated, the ongoing assistance that we intend to provide, and the future of the company, is really dependent upon reoccurring income, by way of monthly debit order or electronical fund transfer.
8. We humbly plead with you to assist us in this new initiative, that we are very excited about. In particular, we urge you to consider contributing towards the aim and purpose of this non-profit company, by means of a recurring monthly contribution.
9. Our bank details are as follows:
Name of Account: Grey Back a Buddy NPC
Bank: RMB (FNB)
Account Number: 63002329399
Branch Code: 250 655
10. Please consider listing Grey Back a Buddy as a recurring monthly EFT beneficiary, or kindly complete the attached debit order form, and return same to us via e-mail.
11. As a non-profit company, we are in the process of applying to be registered as an institution to which Section 18A of the Income Tax Act finds application, so

that we can issue our funders with certificates from which they derive tax benefits.

12. We trust, that we can together with yourselves, fulfil a great need within our community as soon as possible, and in the long term.

Grey Back a Buddy Greetings,
