PAYMENT TERMS:

In terms of the South African Schools Act, Article 38 – 41 (1996), you as parents are jointly and separately liable for paying school fees. The school is authorized to enforce school fees by means of a legal process. Should exceptional financial troubles arise, parents need to make arrangements with the finance office in writing. Financial arrangements may be reviewed and reconsidered at any time as the parents' financial circumstances change.

School fees are strictly payable in advance unless you confirm that payments will be made over 10 months (01 January to 01 October 2025), or on a quarterly basis over the first 3 terms – (Quarter 1 – 15/01/25) & (Quarter 2 – 08/04/25) & (Quarter 3 – 22/07/25. Quarterly payments are payable on the 1st school day of each of the first 3 terms. **If a once off annual payment will be made on or before 28 March 2025 the finance office must be notified at fees@gc.co.za, so that it can be updated on our system as your payment option.**

According to the Schools Act, parents who are unable to afford school fees are entitled to apply for partial exemption. These application forms can be collected from the school's finance office. Application forms may be collected by parents only and not by learners. All applications must be submitted at the finance office on or before **28 February 2025, no late applications will be accepted.** Parents are responsible to notify the school if any personal information has changed so that the school can ensure the data base is correct with all parent's newest information.

School fee statements can be accessed on the Ed-Admin Multi Portal (EMP) application on the following link: [Ed-Admin Android and Apple Link – Grey College](#) **Code: 951501 (Please see the below procedures to register on this app)**

School fees must always be paid according to the payment dates and conditions. Should school fees not be paid according to the agreed date and conditions, the entire outstanding school fee account will be payable immediately.

- **Due to an increase in cybercrimes, we urge parents to confirm the banking details of the school and Hostel on the website: <https://greycollegesecondary.com/school-hostel-fees/>**

We rely on your continued support and cooperation in this regard.

KARRI

Grey College is a cash free zone and do not accept any cash payment at the school. All payments other than school and hostel fees must please be done via the Karri app. Parents must please ensure the proses are followed to be able to pay other school events via karri for the 2025 school year. Please see below written correspondence for more information about karri:

Dear Parents

We realize that making small payments for collections can be time-consuming and frustrating for you. Having to find the exact change needed or go through lengthy steps for online payments is inconvenient. It is even more inconvenient to manage event dates within your busy schedule.

We believe we have found the solution.

The benefits of this app are applicable to both you as a member and us as an organization. Dealing with cash is a safety and security concern and a burden for our staff members. It is also difficult to keep track of lots of EFTs with different references. More importantly, the app we are introducing will benefit you in that you will be able to pay for small transactions straight to your service provider at the click of a button.

It is FREE to download from either the Apple Store or Google Play Store and it uses less data than Whatsapp.

The application is called Karri (a Zulu word for small change). Karri is an innovative mobile payment application that allows you to make quick payments for community collections using your smartphone. Karri is powered by Nedbank but will work with any bank ensuring the safety and security of all information loaded onto the app. It is therefore fully POPI and PCI DSS compliant with stringent internal measures. We have furthermore entered into a contractual agreement with Karri to guarantee this.

You only need an email address to access the app. Please expect an email/SMS directly from Karri asking you to download the app and then sign up with your email address. Existing members from other Karri organizations can just log in.

We would really appreciate your support in striving to be a cash free, convenient environment. For further queries or information visit the Karri website on www.karri.co.za.
